About DC Snakebuster

As a Belgian One-Man Band Dc Snakebuster honours his Great Rock & Roots and Blues Heroes. On his own he sounds like a complete band. He accompanies his vocals with guitar, drums and bluesharp all at the same time.

He is Rumblin' till the end and leads you into A Rush Of Good Vibrations.

A homeparty or a festival, playing Raw Blues is DC Snakebusters Rattlin' game.

Characteristics of his music

Pumping guitargrooves

Thumping foot drums

A hypnotic voice and a howling harp
